Child Protection
Make the Call

Due to Covid-19 the Mandatory Reporting Interagency Training Group there will be limited places to ensure strict physical distancing is met and to comply with WA Health directions.

Intention: to provide essential knowledge and skills in reporting and responding to all forms of child abuse and neglect, including mandatory reporting of child sexual abuse.

Target audience: Mandatory Reporters of child sexual abuse; doctors, teachers, midwives, police officers, boarding supervisors from Government and non-government organisations must be over the age of (18+) to attend. [please note we will not be taking anyone outside these professions in 2020].

Learning Outcomes - increase knowledge of:

- Reporting child abuse including mandatory reporting of child sexual abuse
- Trauma and the effects of trauma on behaviour
- Understanding the links between Education and Department of Communities
- Multi agency approaches to managing child abuse

Structure:

- The full day workshop delivered by key agencies working in child protection. Case examples and interactive activities will be used to increase learning with lots of opportunities to ask questions.
